16864347 [00:35:57] Nobody wants violence. And we are conditioned from the time we were children in this country to always think that violence is a horrible, horrible thing until we go back and reflect on a revolutionary war. [00:36:08][10.7][00:36:09] They picked up guns at some point soon enough. So reflect on the Civil War. We ended slavery by picking up guns and dealing with that. We don't want that to have to happen, but it always has to be something in the back of your mind.

16864329 [00:50:19] There's not supposed to be a president, there's a media blackout [00:50:22][2.9]
